Sir,

I have the honour to state that several Municipal Councils are incurring heavy expenditure to institute civil suits for the recovery of municipal taxes and other dues and for defending awards passed in land acquisition cases and that there is no proper form in the Municipal Manual to record the transactions connected therewith and to watch the progress of each case. A form giving full details of expenditure incurred on account of civil suits at various stages and of the recoveries effected is submitted herewith. I request that sanction of Government may be obtained to introduce the above form in the Municipal Manual.

I have the honour to be,
